The Corks

The diagram illustrates a network of relationships between various entities and the year 1970. The network is structured into four quadrants, each centered around a specific entity:

- Top-Left Quadrant (N70 Wine Society):** This quadrant features a central node 'N70 Wine Society' connected to 'Quinta do Noval' and 'bot. The Wine Society'. The year '1970' is associated with these connections.
- Top-Right Quadrant (K70 Dolamore):** This quadrant features a central node 'K70 Dolamore' connected to 'Kopke' and 'bot. Dolamore'. The year '1970' is associated with these connections.
- Bottom-Left Quadrant (W70 Peatling & Cawdron):** This quadrant features a central node 'W70 Peatling & Cawdron' connected to 'Warre' and 'bot. Peatling & Cawdron'. The year '1970' is associated with these connections.
- Bottom-Right Quadrant (S70 Avery):** This quadrant features a central node 'S70 Avery' connected to 'Sandeman' and 'bot. Avery'. The year '1970' is associated with these connections.

Additionally, there are cross-quadrant connections. For example, 'Quinta do Noval' is connected to 'Kopke', and 'Warre' is connected to 'Sandeman'. The year '1970' is a common thread throughout the entire network, appearing next to many of the nodes and connections.

The logo is a circular emblem. The outer ring contains the text "Justerini & Brooks" at the top and "Fonseca 1970" at the bottom, separated by small gaps. Inside the ring, there is a stylized illustration of a tree on the left and a building on the right, both rendered in a simple, line-art style. The tree has a thick trunk and a rounded canopy. The building has a central tower and two side wings. The entire emblem is set against a white background.
