A circular diagram showing the percentage of total population for different age groups in 1970 and 1970-1970. The diagram is divided into four segments, each representing a different age group. The segments are labeled with the age group and the percentage of the total population. The segments are: 1970 (10%), 1970-1970 (10%), 1970-1970 (10%), and 1970-1970 (10%).
